### SCHEDULE B, PART I

#### Requirements

All of the following Requirements must be met:

1. The Proposed Insured must notify the Company in writing of the name of any party not referred to in this Commitment who will obtain an interest in the Land or who will make a loan on the Land. The Company may then make additional Requirements or Exceptions.
2. Pay the agreed amount for the estate or interest to be insured.
3. Pay the premiums, fees, and charges for the Policy to the Company.
4. Documents satisfactory to the Company that convey the Title or create the Mortgage to be insured, or both, must be properly authorized, executed, delivered, and recorded in the Public Records:
  - a. Warranty Deed or Special Warranty Deed to be executed by the duly authorized representative of The United States of America, acting by and through the United States Marshals Service to A Natural Person or Legal Entity To Be Determined, conveying the property as described in Schedule A of this Commitment. In the event the conveyance of title to the proposed insured is to be made by any entity other than the foregoing named Grantor or is to be made through use of any other deed format other than a Warranty Deed or Special Warranty Deed as herein required or the deed contains an exception for any Code Enforcement Lien(s), Company must be notified and thereupon this Commitment will be revised to require the release of the land described in Schedule A from any cross-attaching Code Enforcement Liens attaching to said land.
5. Record title indicates the subject transaction may include a manufactured housing unit (hereinafter, referred to as "unit"). The Company will require the following: (a) satisfactory evidence the unit has been permanently affixed to the land, to include but not limited to removal of axle and tires, water and sewer connections and the existence of a permanent foundation; (b) any certificate of title or similar instrument of ownership must reflect that the title to the unit is vested in the owner of the land; (c) any outstanding certificate of title or similar instrument of ownership must be cancelled pursuant to the requirements of applicable law and all liens on the title must be satisfied; (d) satisfactory evidence that real estate taxes relating to the unit have been assessed and paid for those years that it has been affixed to the land; (e) a satisfactory UCC search. At that time, the Company may make additional requirements or exceptions.
6. Issuance of the final commitment is subject to review and underwriting approval of the federal forfeiture proceedings by the Company. The Company reserves the right to make additional requirements and/or exceptions after review of the requested documentation.

The use of this Form (or any derivative thereof) is restricted to ALTA licensees and ALTA members in good standing as of the date of use. All other uses are prohibited.

7. Proof of payment, satisfactory to the Company, of taxes for the year 2018 in the gross amount of \$1,054.48 under Tax Folio Number: 0219-0012-0027.

NOTE: This commitment is subject to review of a tax statement or report prior to closing. Upon review of the tax statement or report, the Company reserves the right to make additional requirements and/or exceptions based on the findings.

8. No liability is incurred by this Commitment until the Proposed Insured Owner has been disclosed to this Company, and/or its policy issuing agent herein. Once the Buyer(s) names have been disclosed, this Report can be completed and may be redrafted to deal with the effect of any documents, proceedings, liens, decrees, or other matters, if any, relating to said Buyer(s), which may affect the title to or impose liens or encumbrances on the Insured Land. The Company reserves the right to make additional requirements, or exceptions, should any additional facts or information be disclosed by the compliance with the preceding requirement.
9. When the Company has been provided the amount of the full insurable value of the land, and the Company has agreed to that value, Schedule A will be amended accordingly.

NOTE: An owner's policy, insuring an estate or interest in the subject property herein, will not be issued for less than full value of the subject property.

10. The amount of insurance of the proposed Policy is limited to \$1,000.00. The total liability of the Company under this commitment shall not exceed that amount, unless and until another amount of insurance of the Policy to be issued is agreed upon and the Company's applicable insurance charges are paid. The Company requires satisfactory evidence of the loan, actual value, or sales price, of the estate or interest to be insured. If the Company approves that amount, it may be entered as the amount of insurance of the proposed Policy to be issued.
11. Satisfactory verification from appropriate governmental authorities that any and all unrecorded Special Taxing District Liens, City and County Special Assessment Liens, MSBU Assessment Liens, Impact Fees, and Water, Sewer and Trash Removal Charges, have been paid.
12. Obtain a sworn affidavit by the current owner(s), certifying that there are no liens against the insured land other than as disclosed by this commitment; that there are no outstanding or pending claims against the affiant that may constitute the basis for a lien against the insured land; that other than as disclosed by this commitment there are no matters which constitute defects in affiants' title to the insured land; and that there are no matters existing at this date which would adversely affect the ability of the affiant to convey and/or mortgage the insured land.
13. Furnish Company with an Affidavit satisfactory thereto executed by owner, or its agent, that there are no parties in possession of the land described in Schedule A and that there are no claims to any rights of possession or any lease affecting said land known to exist. Said Affidavit must be based on the actual knowledge of the Affiant after their due investigation and inquiry and not merely to the best of their knowledge and belief. In lieu of such owner's Affidavit, Company will accept a similar affidavit from the buyer proposed to be insured hereunder.
14. Immediately prior to disbursement of the closing proceeds, the search of the public records must be continued from the effective date hereof. The Company reserves the right to raise such further exceptions and requirements as an examination of the information revealed by such search requires, provided, however, that such exceptions or requirements shall not relieve the Company from its liability under this Commitment arising from the matters which would be revealed by such search, to the extent that Company, or its Agent countersigning this Commitment, has disbursed said proceeds
